THE SYSTEM

Our concrete polishing is simple and built on repeatable scientific methods and measurements that are backed by a 20 year manufacturer's warranty.

THE INVESTMENT

It's simple. No minimum to buy. You only need a location to stock and sell our chemicals, tooling, and equipment while demonstrating our training techniques.

THE CONCEPT

We provide distribution pricing for our chemicals, tooling, equipment, and training systems. You stock and sell a simple inventory, rent/sell equipment, & marketing materials.

THE OPPORTUNITY

We are looking for highly motivated distributors. Scientific Concrete Polishing is expanding our distribution in both the United States and International markets around the world. We offer exclusive territories and are very flexible in working out a mutually beneficial business relationship. For more info on this unique business opportunity, contact us today.
